

WISOTZKEY IS
WINNER IN VFW
VOTING MONDAY

Francis L. Wisotzkey, present senior vice commander of Gettysburg Post 15, Veterans of Foreign Wars, was elected commander of the post at a special election held Monday evening at the post home on Carlisle St.

The election had been called at the direction of the state commander of the VFW after a prior election had left the commander-elect in doubt. At that election a number of written-in votes did not contain an X-mark as required by the VFW in its balloting. If counted, the spoiled ballots would have elected Marvin Socia as commander. If left uncounted, the election would have gone to Wisotzkey. As a result, the state VFW directed a special election to clarify the election results.

Vote Was 74-50

Wisotzkey, a veteran of Pacific duty with the Naval Air Force during World War II, received 74 of the 126 votes cast at Monday's election. Fifty of the votes went to Socia. One vote was declared void and one went to another written-in candidate.

At the completion of the tally, Socia congratulated Wisotzkey upon his election.

The VFW State Department chief of staff, Claude F. Zottler, Allentown, supervised the special election assisted by Past Department Commander Lloyd Pike, Harrisburg, and Assistant Chief of Staff Lou Stein, Allentown.

Elect New Members

Tellers appointed for the election by Commander Bernard Murray, who presided, included Past Commander Arthur J. Roth, Past Commander Sebastian R. Hafer, Post Advocate Charles W. Wolf, Robert A. Gilbert and George C. Fissel. Roth served as chairman for the tellers.

The new commander has served for four years in various offices, starting as chaplain of the local VFW in 1950, was named quartermaster in 1951, junior vice commander in 1952 and senior vice commander in 1953.

By a special ruling of Chief of Staff Zottler, the post was permitted to also vote on new members at the meeting.

Those accepted into membership were John W. Cullison, 142 Breckenridge St., on transfer from the Hanover VFW; Maurice M. Steinour, Gettysburg R. 1; Robert G. Leedy, 30 1/2 E. Lincoln Ave.; Fred G. Spaiding, Gettysburg; William D. Wilkison, Biglerville R. 1, and Paul L. Wolff, Gettysburg R. 2.

MRS. DERN, 78,
DIES MONDAY

Mrs. Anna Nora Dern, 78, wife of Elvin D. Dern, 101 E. Lincoln Ave., died Monday at 3:45 p.m. at the Warner Hospital where she had been a patient for six days. She had been in declining health for some time.

Mrs. Dern was born at Fairview, Pa., a daughter of the late George W. and Mary (Muselman) Baumgardner. Prior to making their residence here 26 years ago, the Dernos resided for a number of years in Taneytown. Mrs. Dern was a member of Christ Lutheran Church.

In addition to her husband she is survived by one daughter, Mrs. J. David Leakes, at home; one brother, Charles G. Baumgardner, Front Royal, Va.; four sisters, Mrs. Edward S. Harner, Taneytown; Mrs. Leathia Rinedollar, Mrs. Margie Baumgardner and Mrs. Erma Freihofer, all of Dayton, Ohio.

Funeral services Thursday at 2 p.m. at the Fuss Funeral Home, Taneytown, conducted by her pastor, the Rev. Herman G. Stuempfle Jr. Interment in the Taneytown Lutheran Cemetery. Friends may call at the funeral home Wednesday evening from 7 to 9 o'clock.

Riding Club To See
Horse Film Tonight

A color sound film, "The Horse America Made," will be shown at the April meeting of the Gettysburg Riding Club to be held this evening at 7:30 o'clock at the fire engine house on E. Middle St.

There will be a business session with plans for the second annual Gettysburg Horse Show to be presented Sunday, June 20, among the matters to be discussed.

President LeRoy H. Winebrenner will preside.

AUTO CATCHES
FIRE, THEN IS
STRUCK BY CAR

When a car caught fire on Chambersburg St. at 5:20 o'clock Monday evening, according to borough police, the first assistant fire chief of the borough, personally began to fight the blaze, and while he was thus engaged, Fred G. Troxwell, local high school teacher, attempting to pass the parked vehicle, smashed into the door.

As police told it, Glenn Lemaster, Buford Ave., driving a car owned by Ivan Riggeal, Buford Ave. Service Station operator, was headed west on Chambersburg St. when he noticed smoke pouring out from under the dash.

Lemaster stopped, double parking, and jumped out of the car to seek assistance.

\$90 To Each Car

While the driver was going for help, Donald W. McSherry, assistant fire chief here, drove by. He saw the smoke pouring out of the car, stopped his vehicle, and ran to the smoking auto. He opened the door of the car and climbed in to put out the conflagration.

McSherry was no sooner engaged in battling the blaze than Troxwell, mathematics teacher at Gettysburg High School, and a resident of Baltimore St., came up behind the car. He attempted to pass in his vehicle, but the combination of double parking and the open door of the Riggeal auto took up more of the highway than Troxwell estimated.

Troxwell hit the open door. Damage to his car was estimated at \$90. Damage to the Riggeal auto was listed as \$90.

McSherry put out the fire and Lemaster returned to find the fire had been put out but slightly more damage done to the car than he had anticipated.

Two Motion Pictures
Shown Rotary Club

Two motion pictures, one on saddle bred horses and the other on the development of small mouth black bass at the State Fish Commission's hatcheries, were shown at Monday evening's meeting of the Rotary Club at the YWCA.

Dr. Bruce N. Wolff, in introducing the film on the saddle bred horses, explained that it was shown to help Rotarians understand better the judging at the horse show to be held in June by the local Rotary and the Gettysburg Riding Club. The film depicted the various gaits of the animals, the development of the American Saddlebred Association and the points on which the animals are judged.

Roy Hammond, vice president of the club, introduced the film on fish culture.

Clark Smith announced a children's night program will be held by the club next Monday evening with the dinner to be held at Trinity Evangelical Reformed Church here. President John Teeter presided at the meeting with 49 present.

COREAN WILL FILED

The will of Charles H. Cobean, late of 430 Carlisle St., was filed for probate Monday with the register and recorder. A nephew, Hugh C. McIlhenny, R. 4, was named executor of the \$1,500 estate. Mr. Cobean died February 26 at the age of 81 years.

Wilson Says U.S. Relatively
Secure From An Atomic Attack

WASHINGTON (AP)—Secretary of Defense Wilson says he believes the United States is "relatively secure" from surprise atomic attack and even more secure from sustained aerial assault.

Wilson said Russia would lose many bombers and trained crews in the initial stages of any air war over America "and I do not believe they could keep it up."

Testifying recently before a House Appropriations subcommittee considering the defense budget, Wilson challenged an opinion of Rep. Mahon (D-Tex.) that the United States is "highly vulnerable to atomic attack at this time."

U.S. Is Vulnerable

The secretary said he believes the nation is vulnerable but "relatively secure," adding that he believes the Russians "have been much more afraid of us than we are of them."

Other testimony, portions of which were made public last night, disclosed that:

MISS FISH WILL
BE SPEAKER FOR
ANNUAL MEETING

Miss Gladys B. Fish, a consultant in the division of special education of the state Department of Public Instruction, will be the speaker at the annual meeting of the Adams County Crippled Children's Society to be held Wednesday, April 28, at Trinity Evangelical and Reformed Church.

"Helping Children Talk Better" will be the subject of Miss Fish's talk.

Her part of the program will follow the annual business session at which members of the society will fill positions on the board of directors made vacant by expiring terms of a third of the members. The annual reports of the acting president and treasurer will be presented. Vice President Russel S. Hackman, who has been acting as president since the resignation of Walter F. Doud, will preside.

To Get Seal Sale Report

A report on the annual Easter Seal sale also will be presented. Miss Fish is a graduate of the California (Pa.) State Teachers College and received her master's degree from Pennsylvania State University. She has done further post graduate work at the University of Pittsburgh and Northwestern University.

She started teaching in a one-room and for five years was an elementary school principal at Webster, Pa. She had established a speech correction program in a township school system before going to the guidance staff at Hartford, Conn. She taught at Penn State before going to the state Department of Public Instruction in 1947.

The meeting is open to anyone interested in crippled children's work or in speech correction which is the speaker's special field.

CHEMISTS WILL
MEET THURSDAY

The Southeastern Pennsylvania Section of the American Chemical Society will hold a meeting at Bosler Hall, Dickinson College, Carlisle, on Thursday. There will be a dinner preceding the meeting in Stock Hall of Dickinson College at 6:30 p.m.

This affair is the annual dinner meeting held in conjunction with the American Chemical Society and the high school chemistry teachers of nearby communities to commemorate the Dickinson College annual Joseph Priestley celebration.

Addresses will be made by Dr. Karl T. Compton, Massachusetts Institute of Technology and world-known authority on the development of atomic energy, and Alden H. Emery, executive secretary of the American Chemical Society.

A feature of the event will be the 1954 award of \$1,000 by Dickinson College to a scientist for work benefiting mankind in memory of Priestley, the discoverer of oxygen and whose scientific apparatus will be on display before the dinner.

High school teachers and senior chemistry students having outstanding grades from Dauphin, Lebanon, Lancaster, Franklin, Adams, Cumberland and York Counties will also participate in the meeting.

SCOUT ROUNDTABLE

A joint roundtable meeting for Cub, Scout and Explorer leaders of the Black Walnut and Conewago districts will be held Monday evening at Camp Conewago, Dr. Frank T. Watson, Black Walnut district commissioner, and William Randall, Conewago district commissioner, announced today. Dinner will be served at 6:30 o'clock with the meeting to start at 7:30. Reservations should be made with either of the commissioners or with Charles S. Harris, local scout executive.

Teaching For Life

Of great importance, said Samsan, is the fact that the week day religious education program emphasizes the moral values of the public school, strengthens the religious teachings and values of the home and of the church school, and undergirds the ethical, moral (Continued on Page 3)

Soldier Unhurt As
Car Overtakes Here

Richard Crist, Pittsburgh, a soldier stationed at Fort Ritchie, Md., was unhurt at 4:30 o'clock this morning when the car he was operating overtook on an embankment at the end of W. Middle St.

Borough police, who investigated, set the damage to the car at \$100, the exact amount it had cost when purchased. The auto was owned by Joseph Melsi, Fort Ritchie, a soldier friend of Crist.

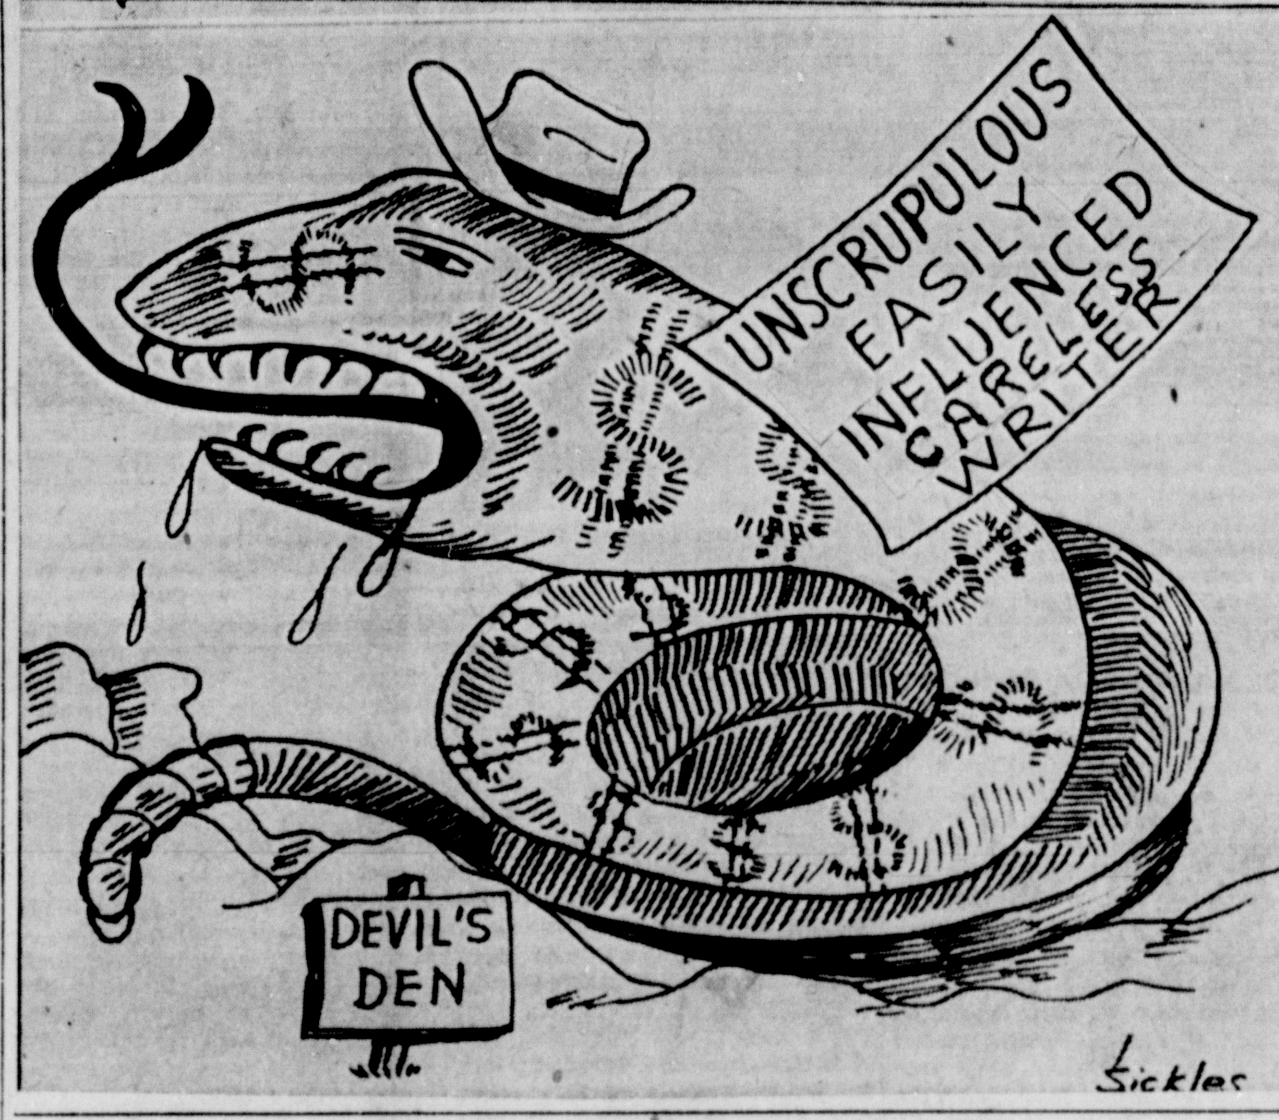

Police said the accident apparently happened when a stabilizer broke and locked the front wheels of the car as it passed over the crest of Seminary Ridge, at the intersection of the Fairfield Rd.-W. Middle St., with W. Confederate Ave. The car, traveling west, continued across the intersection and into the embankment at the Seminary property.

HOLD PANEL ON
BIBLE TRAINING
IN SCHOOL WEEK

An initial meeting was held in the Fairfield Joint High School building Monday night to present and discuss the possibilities of week day religious education. There was a good representation present from the various organizations and churches in the community and area.

The Rev. Helmut Dyck, chairman of the Fairfield Ministerium, acted as moderator, introducing the participants of the panel, Ira C. Samsan, general secretary of the Pennsylvania Council of Christian Education; Dr. Ralph D. Heim, professor of religious education at the Lutheran Seminary, and the Rev. George H. Bitner, professor of sacred literature in the Senior High School of the Waynesboro-Mont Alto Joint School District.

These men discussed aspects of week day religious education. Mr. Samsan answered the question, "Why Have a Week Day Religious Education Program?" by outlining the aims and standards of the program with emphasis on the following major points: Our present day demands more and better religious education for children and youth; the short session of the Sunday church school does not provide sufficient time for religious education; religion must be identified in the child's mind with week-day as well as Sunday; the child needs education in religion as well as other subjects of the weekday study program if he is to have a truly complete education for life; the church, referring to the church in general, has a right to a fair portion of the child's weekday time; the week day religious education program would reach children not reached by other agency of religious education.

Not Considering
Sending Yanks

WASHINGTON (AP) — Two senators said today after a meeting with Secretary of State Dulles that no decision to dispatch American fighting forces to Indochina is being considered.

Both senators are Republicans. Ferguson of Michigan and Bridges of New Hampshire.

Ferguson, who left the meeting early to keep another appointment, added: "I don't think it (the decision) is in the works at all. At present I am against sending American troops to Indochina. I know of no facts to warrant it."

101 SERVED AT
SPOTTER POSTS
IN LAST WEEK

One hundred and one of the 294 persons needed to staff the three air raid spotter stations in the county full time last week were on duty. It was announced today by Crosby N. Hartzell, county aircraft spotter chief. The total is an improvement over the 64 that served during the preceding week.

York Springs had 60 persons on duty last week and Gettysburg was second with 22. Orrtanna was low with 19 persons serving.

Mr. Hartzell also announced plans for several hundred counties to make the bus trip to the aircraft warning filter center at Baltimore on next Sunday.

Gettysburg will have 30 persons to board a bus in Lincoln Square at 1:25 p.m. with James Strickhouser, chief spotter, as their leader.

Others May Join Party

Thirty-eight are listed from the Orrtanna area and they will leave at 1 p.m. from the Cashtown fire hall with Clarence Deardorff as their leader.

Two buses are being dispatched from York Springs where 62 or more persons will be making the trip. L. E. Potts will be the leader for that group that will leave at 1 p.m. from the York Springs High School.

A bus will be sent to Fairfield and will leave at 1 p.m. from the Pumphrey service station at 1 p.m. Stanley Pumphrey will be the leader.

A New Oxford bus will leave from in front of the Myers Hardware store in the square at 1 p.m. George Griffin will be the leader.

Other persons interested in the trip should call any of the group leaders.

The spotters who served at the Gettysburg station last week included: Dr. and Mrs. Albert Bachman, Mrs. Mildred Dellinger, Mrs. Richard Shade, Mrs. Louella Perry, Mrs. Jack Corbin, Mrs. Charles Smith, Mr. and Mrs. John O'Brien, Mrs. Herbert Oyler, Mrs. Carl Oyler, Glenn R. Little, J. Herbert Weikert, Mrs. Eva Pape, Miss Dorothy Poth, Willis Weikert, Ernest Strickhouser, Mrs. Philip Neth, Miss Mary Bishop, B. F. Redding, P. T. Rider and Clarence McCleaf.

Pitzer Is Named
To Revenue Post

HARRISBURG (AP)—H. Earl Pitzer, Aspers R. 2 trucker and former Adams County general assemblyman, served today as acting director of highway safety in the Revenue Department.

He takes over the job left vacant by the sudden death of T. Elmer Transeau, Camp Hill.

Pitzer will continue at a salary of \$7,356 a year which he received as assistant highway safety director.

The 50-year-old Republican is a past president of the Pennsylvania Elks Assn.

COUNCIL TO ASK
RETRACTION OF
SMEAR ARTICLE

Condemning the Harrisburg Sunday newspaper article that "hordes of copperheads infest the Battlefield" as a "smear on the greatest shrine in America," Gettysburg Travel Council members Monday evening directed a "formal protest" to the publisher of the Harrisburg Patriot.

Action on the newspaper's allegations, plans to renew negotiations to burn the Eternal Light Peace Memorial flame continuously, and a debate concerning possible steps to "incorporate" the Travel Council took precedence at the council session in the court house Monday.

Eighteen council members heard Dr. J. Walter Coleman, battlefield superintendent, reiterate that the story, published in the Harrisburg Patriot, is without foundation. "Only one or two copperheads have been seen on the Battlefield in the last seven years," he said.

Will Ask Retraction

Council will ask the Patriot publisher for a retraction. Council voted to ask the director of the National Park Service, Conrad L. Wirth, to have the natural gas flame on top of the Eternal Light Peace Memorial to burn continuously and not 12 hours a day.

Under original terms the Memorial was to have been lit 12 hours daily the first year, for \$900, and thereafter perpetually. Despite many protests from tourists and townspeople, the light now burns only ten hours, from 8 a.m. to 6 p.m.

Charles B. Bender, council secretary, suggested that until further notification from the Park Service, the Peace Light, located on Oak Hill, burn from 8 a.m. until 9 or 10 p.m. He advised that burning time during (Continued On Page 2)

Carlisle Attorney Is
Speaker For Women

Attorney Hermus Weary, Carlisle State Democratic committeeman, told the Democratic Women's Club of Adams County Monday evening that they should not lose sight of local candidates in favor of national runners, "as one is equally as important as the other to the welfare of our country."

Weary addressed the Democratic women at a regular session of the club Odd Fellows Hall. He said it is important for workers in the lower levels of the party to keep working, and stated "through the years the Democratic party has proved it is the party having the good of the masses of people at heart."

Edward L. Faber, Carlisle, former probation officer for Cumberland County, spoke briefly.

Ethel Taughnbaugh, Ina Lowe and Billie Spicer served as hostesses during the social hour which followed the meeting. Mrs. Bessie Bringham, who presided, announced that the program committee will meet at the home of Mrs. John S. Rice, 60 W. Broadway, April 29, at 1 p.m.

5 INDICTMENTS
HANDLED UP BY
GRAND JURORS

Five indictments were handed up to the Adams County Court by the April Grand Jury Monday afternoon. The jury then visited the county jail and home and, with one exception, reported finding "everything in good condition."

As presented by the foreman, Miss Roberta F. Bittinger, Cashtown, the regular grand jury report on its inspection of the county properties was very brief. It stated: "We recommend painting the men's dormitory at the Adams County Home. Otherwise our findings were very satisfactory and everything is in good condition."

While the grand jury was deliberating its decisions on the indictments, the court handed down a decree divorcing Sally E. (Poppay) Weigandt, 156 Seminary Ave., from I. William Weigandt, formerly of Gettysburg R. 3.

Okay Plans For Improvements

The court also approved the plans and specifications for the proposed construction of a boiler house and installation of a central system for the entire county home.

The petition presented by the county commissioners asking approval of their plans for the boiler house and heating system claimed that the system would save the cost of having to fireproof two rooms in two of the buildings where present furnaces are "worn out" and must be replaced; would replace bucket a day stoves in all buildings at the county home and would effect a saving in the cost of labor to operate the present four furnaces and four bucket-a-day stoves.

Defendants indicted by the grand jury included Fred Kenneth Harman, Westminster R. 2, resisting arrest; Clyde A. Miller, Fourth St., contributing to the delinquency of a minor; Franklin R. Kuhn, Gardeners R. 1, contributing to the delinquency of a minor; Donald Cullison, Carlisle R. 1, three morals charges and contributing to the delinquency of a minor, and Nelson Pickes, Orrtanna, robbery.

The ten cases on which true bills were returned Monday, five in the afternoon and five in the morning, will be tried starting Monday.

GRANT STORE
WILL OPEN HERE
NEXT AUGUST

Plans of the W. T. Grant Company call for completion of its new Gettysburg store at 12-14 Chambersburg St. next August, according to word received from company officials. Construction, begun late last fall, is now well under way.

Designed along simple modern lines, the new Grants will be a 2-story building containing approximately 10,000 square feet. The facade will be of brick and aluminum. A bank of stainless aluminum doors will open into a sales area lighted by fluorescent fixtures. Selling will be done on the street level with offices and reserve stock rooms on the second floor. Year-round air conditioning will be installed.

"The interior of the store will be designed for quick, convenient shopping. Modern sales counters and display fixtures will be built for 'shop at a glance' convenience. This self-selection system is devised to afford the customer the most shopping pleasure—whether she has only a few minutes or all day to shop."

"Grants, though only 47 years old, has grown to a company of more than 500 stores located in 39 states from coast to coast. The Gettysburg store will be the 69th store operating in Pennsylvania. The company was founded in 1906 in Lynn, Massachusetts, by William T. Grant, chairman of the Board of Directors.

"We believe—without a doubt—that the growth of the Grant Company is a direct result of our policy that was and is the credo of Mr. Grant himself," said Edward Staley, president of the company. "This policy, defining the company's slogan—Known for Values—is not how much can we get, but how much can we give our customers."

"It has been the guiding principle for the company since Mr. Grant opened his first store," Mr. Staley said.

Nurses' Aides Will
Study First Aid

A first aid course for Adams County's Red Cross nurses' aides will begin Friday evening at 7 o'clock at the YWCA building with Miss Helen Falkenstein, Hanover Red Cross first aid instructor, in charge.

Sessions will be held each Friday evening from 7 to 10 p.m. until the 22-hour course is completed.

COUNCIL TO ASK

ing winter months be curtailed to counteract the extra summer hours.

Advices Incorporation
Atty. Eugene Hartman, travel group counsel, advised incorporation of the Travel Council "in order to protect individual liability for incurred debts or other actions."

Hartman said that incorporation will legally divorce the Travel Council from the Chamber of Commerce (its unofficial parent organization), and that the "purpose" clause of the Travel Council by-laws could be altered to show a working agreement with the Chamber.

One Council member advocated: "The Travel Council and the Chamber of Commerce should never be separated—there is too much to be gained by working together."

The question of altering Chamber of Commerce by-laws to include the Travel Council, or to legislate the travel group as a corporate entity, also affects the Retail Merchants Association.

Study Billboard Sketches
Erection of five billboards advertising historic Gettysburg from the main approaches to the borough moved nearer completion, Monday night, with the appointment of Dr. Coleman and Joseph Rosensteel as a placement committee.

Two sketches for approval by the Exchange, Lions, Rotary, Soroptimist, and Travel Council were shown. The service clubs will select either "Welcome To Gettysburg, 16,000 Acres Of Historic Beauty," or "Welcome To Gettysburg, 2,500 Memorials, 16,000 Acres, 35 Miles Of Paved Roads."

Club emblems will be placed side-by-side on a lattice-work frame beneath the posters.

The Council also voted to spend up to \$1,000 for travel folder distribution; agreed to purchase 1,000 bumper strips at 3¢ cents each, and issued a vote of thanks to Travel Council personnel who assisted in the compilation of a scrapbook entered by the Gettysburg Junior Chamber of Commerce in a national television contest.

A letterhead to be placed on 2,400 "Travel to Gettysburg" invitations was accepted, and a suggestion by John D. Lippy Jr. to include a sticker reading "tourist money paid for this bill" with all checks was heard.

Mrs. Gideon Given Ford Fellowship

Mrs. Sara Gideon, Baltimore St., has been granted a fellowship for the academic year 1954-55, under the "Fund for the Advancement of Education" set up by the Ford Foundation.

The National Committee on High School Teacher Fellowships based its recommendations to the fund, in naming approximately 300 public, secondary school teachers throughout the United States, on the basis of both the qualifications of the individual nominees and the specific plan of activities which each applicant proposed.

For the past nine years, Mrs. Gideon has been a teacher in the East Berlin High School teaching English, German, and sponsoring such activities as the Red Cross Council and the girls' Tri-Hi-Y organization. She is an active member of state and local PSEA organizations, president of the East Berlin High School teachers, and a member of Pennsylvania Modern Language Association. Mrs. Gideon's proposed program includes the study of group dynamics, test construction and methodology in foreign language teaching.

Health Officer Asks For Spring Cleanup

In a "health reminder" issued today by William I. Shields, county health officer, he urges countians to clean up their properties as a health and safety measure.

"Go over the entire house and out-buildings with an eye for junk and trash that has accumulated through the winter months. Much of this sort of rubbish may be found in attics and cellars.

"Extending the clean-up campaign to the exterior, the following should be done on rural properties: Wells and springs should be cleaned and tight floor covers should be installed to keep out foreign substances; cesspools and outside toilets should be cleaned; and limed; garbage cans should be cleaned; and gutters should be opened. Stable yards, chicken coops and pig pens should be given a complete overhauling before the hot weather arrives."

"APRIL"

Now the blustery winds are stilling . . . summer seems to dot each line . . . blossoms stretch to burst in glory . . . perfumed by the April rain . . . hearts are happy with you, April . . . but although they're light and gay . . . they are longing for the flowers . . . that enhance the world in May . . . April, king of hope and springtime . . . when the birds begin to sing . . . you are the overture to summer . . . and the joys that it will bring . . . through your tears the grass is smiling . . . waiting for your tears to dry . . . April, I have often wondered . . . just why is it that you cry . . . April, all mankind reveres you . . . and each year they wait anew . . . for you dress the earth for summer . . . and the summer skies of blue.

An Easter party was enjoyed by Intermediate Girl Scout Troop No. 16 on Friday evening in the engine house. It was planned for the group to enjoy a picnic lunch and outdoor recreational period at Young's Park, Hanover, but due to the inclement weather, the party was held indoors. There were group games and songs and a luncheon was served. Colored eggs were used in the decorations. Mrs. John O. Forry is the troop leader and Mrs. Keith Heltbride is assistant leader.

OKLAHOMA CITY (AP)—What should you do if you have coons in your corn? That's the question the Oklahoma Department of Agriculture was asked by farmers in the southeastern part of the state. The coons were stripping their fields, they complained.

The department said:

"A pack of good coon dogs might keep the invaders frightened away."

ADOPT BRITISH PLAN ON TALKS ON ARMS LIMITS

By WILLIAM N. OATIS

UNITED NATIONS, N. Y. (AP)—Spurred by the menace of the hydrogen bomb, the Western Powers prepared today for new disarmament talks without knowing whether the Soviet Union will take part.

The 12-nation U. N. Disarmament Commission set up a subcommittee yesterday to start the talks, in private, here Friday.

It adopted 9-1 a British proposal naming Britain, Canada, France, the Soviet Union and the United States to the subgroup.

It rejected 10-1 a Soviet bid to add Communist China, Czechoslovakia and India.

Vishinsky Votes No
Only Soviet Delegate Andrei Y. Vishinsky voted against the proposal and for his own amendment, Lebanon and Nationalist China abstained on the former, Lebanon on the latter.

Vishinsky had warned beforehand that adoption of the British plan, which he called one-sided, would "create difficulties for the Soviet Union as regards its participation in the work of the subcommittee."

Henry Cabot Lodge Jr. of the United States called this "a thinly veiled threat to walk out . . . a thinly veiled threat to torpedo the peace." Britain's Sir Pierson Dixon asked if Vishinsky meant to sabotage efforts to solve the disarmament problem.

Contractor Dies Of Monoxide Poisoning

DOYLESTOWN, Pa. (AP)—A 30-year-old building contractor was found dead of monoxide poisoning yesterday in the garage of his home here.

The victim was Karl E. Wendling. His body was found by his wife. Bucks County Coroner Russell J. T. Ferris said the wife, Barbara, told him her husband had gone out to put away his car Sunday night while she went up to bed. She said Ferris he became alarmed when she awakened Monday morning and found her

Kammerers Home From Holy Land

The Rev. David S. Kammerer, pastor of St. Paul's Lutheran Church, Littlestown, and Mrs. Kammerer have returned home from a trip to the Holy Land. They sailed from New York on February 25 and on the return trip they left Naples on April 7 and arrived in New York on April 15, which was the 29th anniversary of their moving to Littlestown.

The Rev. and Mrs. Kammerer enjoyed the Holy Land trip as a gift of the congregation for 30 years of uninterrupted service.

St. Paul's Church was filled to capacity for the Easter Sunday Communion service at 10:30 a.m. This was the largest communion service in the history of the church.

Measure Weather With Machinery

PHILADELPHIA (AP)—The U. S. Weather Bureau here says the weather station at Park Place, near Shenandoah in northeast Pennsylvania, is now operated solely by mechanical equipment.

The operation, the bureau reported yesterday, is set in motion by central control stations. Once in motion, the automatic equipment does such things as record temperatures, relative humidity, rainfall and barometer readings. It then transmits this information over a teletype circuit to central stations.

The operation is believed to be the first of its kind east of the Mississippi River. A similar station is located at Sanberg, Calif.

Other stations record data automatically but their report is sent to a central station by radio.

AURORA, Colo. (AP)—C. E. Tupps, mayor of this Denver suburb, is a beef raiser by trade and he didn't know what exactly to do with the 200 pounds of fish he and his wife caught during a Gulf of California vacation. Then he hit upon a solution — a free fry for city employees and their families at the fire hall. About 150 showed up.

DRIVER STRIKE HALTS BUSES IN HARRISBURG

HARRISBURG (AP)—A strike of 250 union bus drivers halted public transportation today in Pennsylvania's Capital City of 90,000 population for the first time since 1916.

The drivers went on strike at 2 a. m. after failing to reach agreement with the Harrisburg Railways Co. on terms of a new wage contract.

An increased use of private automobiles, car pools, pick-up rides and "courtesy car" service by the striking bus drivers provided stop-gap transportation to workers in the city, including thousands of state employees.

Harrisburg Railways provides bus service in the Harrisburg area on the east side of the Susquehanna River.

The striking drivers providing "courtesy car" service along routes of the bus company make no charge, but accept donations.

Negotiators tried in an eight-hour session last night to reach a last-minute settlement. But after the meeting, John Elliott, international vice president of the Amalgamated Assn. of Street, Electric Railway and Motor Coach Employees of America-AFL, said:

"We have found after 4½ months of fruitless negotiation that the only way to solve the problem is through the medium of a strike." Company President Harley Swift said:

"We are sorry that things have gone the way they have. The company went the full limit in its offer. There is no more to give."

The strike does not affect the Valley Transportation Co., which serves only commuters between west shore communities and downtown Harrisburg.

Valley itself was tied up six weeks this year by a strike. It was settled when workers accepted a 15-cent hourly increase. Their wage rate is now \$1.65 an hour.

Harrisburg drivers, averaging \$1.58 an hour, are asking a 22-cent-an-hour increase. A company offer of a five-cent hourly raise and certain fringe benefits has been rejected.

Commy Official In Romania Quits

VIENNA, Austria (AP)—Communist Romania announced today that Premier Gheorghe Gheorghiu-Dej had resigned as general secretary of the Romanian Communist party.

His action was in line with a similar division of governmental and party responsibilities already carried out in the Soviet Union, Hungary and Poland.

The announcement, broadcast by Radio Bucharest, said the top party post had been taken over by Gheorghe Apostol. It added that he gave up his post as deputy premier and minister of agriculture to take on the new duties.

Radio Bucharest said the shift was ordered by the party's Central Committee.

Maryland Opens New Highway Link

SHAWAN, Md. (AP)—Maryland today opens a second four-mile section of its so-called Baltimore-Harrisburg expressway.

The new section, from Shawan road to Belfast road, is linked to the first section, opened last December at Timonium. Both sections have only two lanes but two more are to be added, making it a four-lane parkway.

The state highway building program calls for the two lanes to be extended to Parkton, 4¼ miles from the Pennsylvania border, within four years.

In addition, a dual highway being built south of Timonium will connect with a Beltway to carry traffic around Baltimore to southern roads.

Jordan Farmers May Import Animal Labor

JERUSALEM (AP)—Elephants are more economical than camels and donkeys—at least in field work—according to the Indian Commercial Attache in Alexandria who has recommended importing them to the Middle-East, the Arab Jerusalem-Old City daily "A-Diffa" writes.

Jordan agricultural experts have apparently agreed. The Amman Chamber of Commerce has invited its members to file their orders for the animals.

HOLD PANEL ON

(Continued From Page 1) and religious principles of life. This program of week day religious education would necessarily have to be worked out in accordance with the laws of the state.

Dr. Heim pointed out that the choice of curriculum would be determined by the needs of the pupil, the aims of the teacher and the equipment available. Although there may be suitable printed teaching material available for use in instruction, he advocated the use of resource material and projects to arouse the creative abilities of the individual pupil. The important point being that one is teaching individual pupils for life and not a curriculum.

No Immediate Plans
The Rev. Mr. Bitner suggested that a committee on religious education be appointed to represent the various churches and cooperate with the school administration to work out a satisfactory program. This committee would also be responsible for the administration and financing of the program. He pointed out the various types of program that could be accepted—on released time, free time or an integrated program within the school system. He was also asked to give an evaluation of the religious education program in which he participated as instructor which proved "very helpful."

George Inskip, superintendent of schools in Fairfield, expressed his appreciation for this aspect of education and his desire to secure a more evident indication of the interest of the community for this type of program.

This meeting was primarily exploratory and instructive, opening the subject for further discussion and study without suggesting immediate plans.

THE GROWING TREND TO MODERN LIVING ON WHEELS

And the trend keeps growing to Lincoln

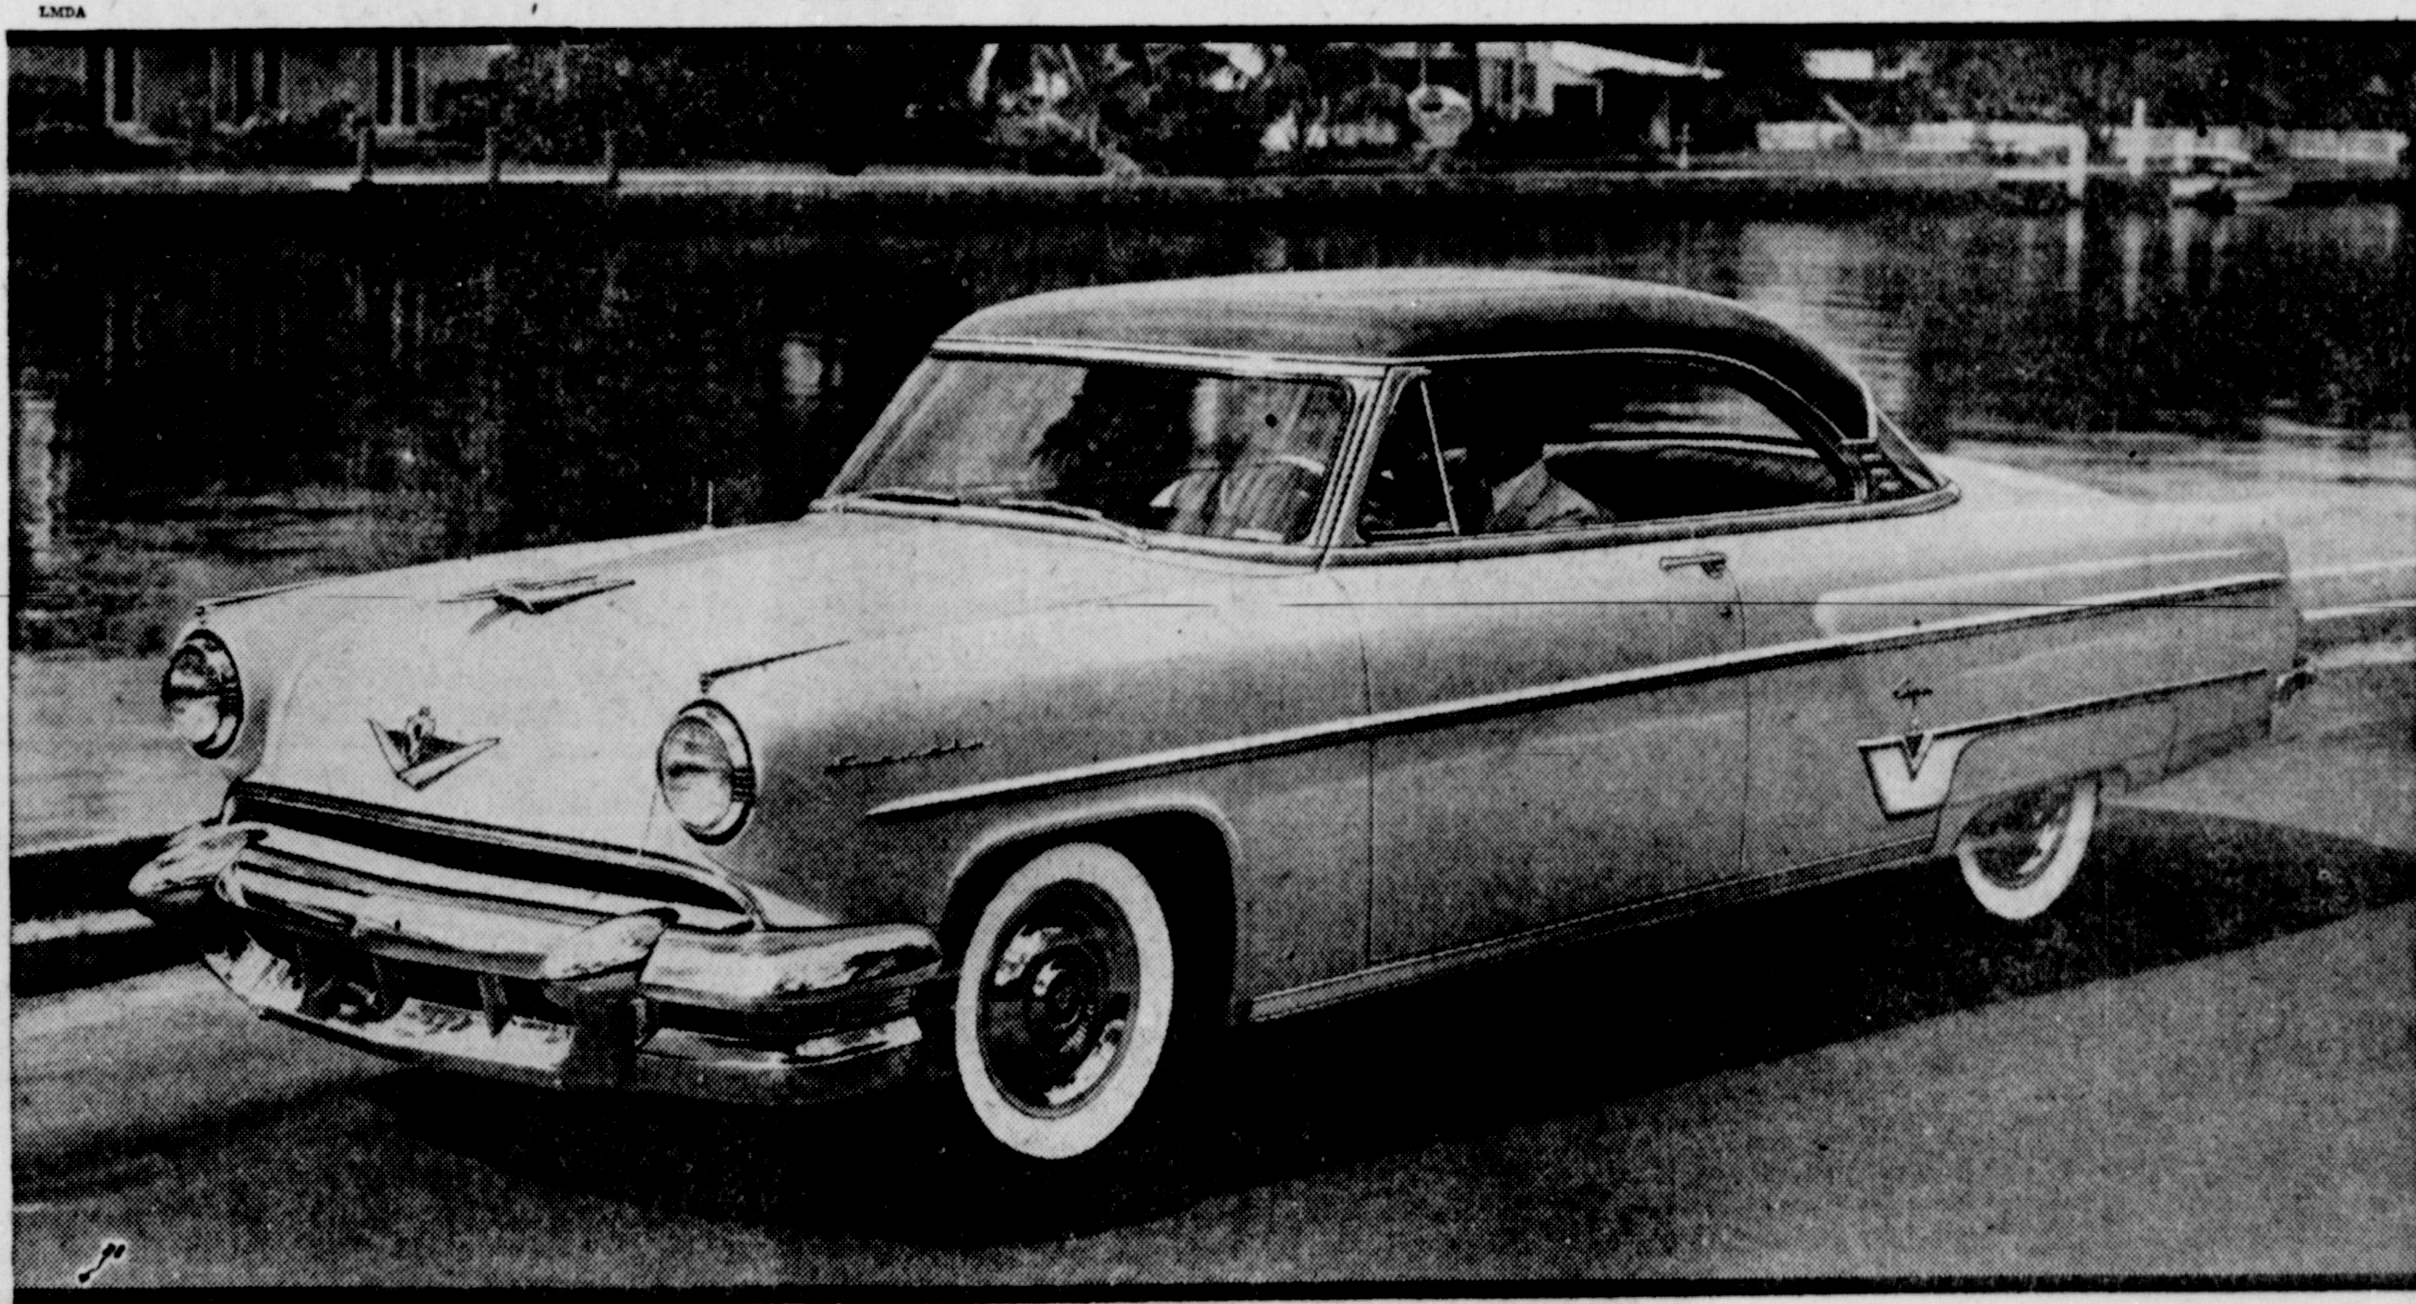

MEMO TO MODERNS WHO LIKE ACTION: Slide behind the wheel of the new Lincoln. Then drive the fine car that shows you what the others may be able to do—tomorrow.

You'll notice a subtle combination of mighty power and gentle power. You surge ahead instantly when you must. You ease along in congested traffic effortlessly. You discover automotive performance you've never dreamed of. You are driving the car with the engine which many experts agree is the finest on the road. It's the Lincoln overhead valve V-8, upon which has been lavished all the engineering imagination,

experience, and skill of the world's foremost builders of V-8 engines.

Come in. Ask us for the keys to a new Lincoln or Lincoln Capri. P.S.—FOR THE ENGINEERING MINDED: Engine: Lincoln's low-friction, 205-hp engine has new 4-barrel carburetor, rear barrels vacuum-controlled. No mechanical linkages. Gives you economy in all ranges; instant power when you need it—with no time lag. Suspension: ball-joint suspension, found only in Lincoln among fine cars, means better handling, lessens sway even on tight corners. Brakes: increased in size to a full 220 sq. in. for safer, easier stops. Frame: a rugged x-type custom-designed for each body style.

For the fourth straight year, Lincoln won first place in its field for economy in the famous Mobilgas Economy Run.

President Roosevelt Gets The First Exposition Pass: Pass No. 1 to the World's Fair grounds during the regular exposition period has been made out to "Theodore Roosevelt, President of the United States." It will be issued to the President next week. A special form of pass has been designated for the President of the United States, the members of his Cabinet, the Supreme Judges of the United States, members of the Senate and Congress and other national dignitaries.

Western Cow Story: Here is a cow story from the west that may interest some of our farmers. G. W. Easter, a farmer of Dickinson county, Kansas, marketed 51,000 pounds of milk from 10 cows during the past year. Each cow gave nearly six times her own weight in milk.

Prize Winners: At the Progressive Euchre given in Xavier Hall last Thursday evening, the prizes were awarded as follows: ladies, Annie Codori, games won, 14, first prize; Dora Frommeyer, games won, 14, second prize; Mrs. John Stock, games won, 12, third prize; Emily Brinkerhoff, prizes won, 12, fourth prize; Sallie Martin, games won, 11, fifth prize.

Gentlemen: William Hemler, games won, 13, first prize; F. W. Frommeyer, games won, 12, second prize; Thomas Hardy, games won, 11, third prize.

Noted European Actor: Among noted European actors who will be seen in this country this season is Mr. Eduard Waldmann, who will appear in Xavier Hall, this (Wednesday) evening, in Robert Louis Stevenson's interesting drama, "Dr. Jekyll and Mr. Hyde." This gifted young German-English artist has probably no superior in such characters. He is painstaking as a player and a splendid reader of all the classic dramas. Endowed with an expressive face, a voice full of feeling, sympathy and power and a dramatic temperament (sic), coupled with unremitting industry, he has climbed to the top of the ladder.

Entertained His Class: John Sachs, eldest son of E. P. Sachs, of this place, attained the age of 15 on Thursday and celebrated the event by entertaining his classmates of the High School and a few friends at his home in the evening. The evening was pleasantly spent and a bountiful repast was served. The house was beautifully decorated with roses and potted plants. Those present were: Miss Mary Hoke, Estella Lohr, Marion Rice, Cora Thorn, Stella Raffensperger, Edna Kuhlman, Beulah Stallsmith, Maud Dorsey, Messrs. John and Royal E. Zinn, Raymond Dillfield, John McMillan, Earl Smith and Louis Topper.

Local Miscellany: Dr. George C. Coburn has opened dental parlors in the rooms formerly occupied by Dr. Moriarty, corner Chambersburg and Washington streets.

Snow fell to the depth of from 1 to 4 inches at various points in this state and Maryland last Wednesday.

There are now 42 cases of smallpox in York.

Don't fail to see "Our Boys of 1776" at Xavier Hall Friday evening. The drill alone will be worth the price of admission.

Thanks! Our estimable and congenial friend, D. S. Coleman, of Straban township, has the thanks of this office for a lot of delicious oranges.

Will Conduct Hotel Hanover: Charles Strassbaugh, formerly steward at the Alms House, will succeed George W. Foreman as proprietor of Hotel Hanover, as soon as the license is transferred, application for which was made Monday.

Popular Young Couple To Wed: Mrs. Margaret L. Ramer has issued invitations for the marriage of her daughter, Miss Katharine C., to Chas. W. Holtzworth, the ceremony to take place Thursday evening, April 22th, at 8 o'clock, at her residence, 126 Chambersburg St.

Today's Talk

By GEORGE MATTHEW ADAMS

PATTERNS OF BEHAVIOR

The more I study the formations and behavior of all living things in nature the more amazed I am over the miracle of all life. Every blade of grass, every leaf, be it from tree or flower, nothing varies from year to year. Each has its definite pattern.

As human beings there is an average similarity, but the form never changes. It's the mind of man, and the uses to which it is put, that makes it stand apart. The head of a genius looks no different, as a rule, than any other head. It's the within life that is so significant.

What record have we that the beautiful six-pointed snow-flake was anything different a thousand years or more ago than it is today? Patterns live on and on. Once initiated they have a permanent place in the dictionary of history. In physical life there are striking resemblances, and there are lower forms graduated into higher ones. Darwin gave to his "Origin of Species" a world-wide reading. Instinct and intelligence are perhaps more closely related than we suspect.

The pattern of all flowers, in their leaves and blooms, is a wonderful revelation. Then there are the colors of varieties that never vary without the life substance of another variety. An acorn, planted anywhere on this earth, would remain true to its specie. Its behavior of life would remain the same.

We live in a more miraculous world than we suspect. In itself it is an inspiration and a revelation of a Supreme Mind in the world. "After years of watching the processes of nature," said Edison, "I cannot doubt the existence of a Supreme Intelligence. The existence of such a God can, to my mind, almost be proved from chemistry."

The happiest and most successful of people are those who have formulated a pattern of life, stimulating all about them with the same desire.

Tomorrow Mr. Adams will talk on the subject: "Talk Between Friends."

LITTLE CHILDREN EVERYWHERE

Little children everywhere! Eyes of brown and eyes of blue Following toilers here and there, Smiling when the tasks are through;

Little voices that are sweet Ringing in men's ears all day; Little hands and little feet, Little bits of laughter gay

World wide overrule us all. 'Tis for them that kingdoms fall.

Why do factory chimneys smoke? Why do soldiers fight and die? Why do painted jesters joke? Why are steeples towering high?

Why is everything we know, Love and hate and doubt and fear,

Patience under many a blow, Courage when disaster's near? Back of every dream there lies Little children's laughing eyes.

Men are toiling everywhere For the laughter of a child. Every crowded thoroughfare Would have stayed a desert wild

But for men who wished to see Earth a kindly place to play For the children at their knee. So, for them they smoothed the way.

Back of every hour of care There's a little child somewhere.

Freedom's flag was first unfurled So that children might enjoy Life in such a troubled world. Little girl and little boy

Nothing earth has ever known, Nothing man shall ever do But a share in it you own.

Life is being lived for you. Every forward step men take Is for little children's sake.

WATCH THOMAS CAMPAIGN IN JERSEY TODAY

By CHARLES CAPALDO

NEWARK, N. J. (AP)—Former Rep. J. Parnell Thomas, jailed during his last House term, today tried to win Republican nomination to his old seat in Congress on a pro-McCarthy platform.

Thomas' bid for a political comeback in the wake of a prison term for pocketing congressional payroll kickbacks in 1949 features an otherwise tame New Jersey primary election.

The 59-year-old politician-publisher is running against incumbent Rep. William B. Widnall (R-NJ) in the rural 7th District.

Widnall has the support of party organizations.

Referenda On Bingo, Raffles

The Thomas-Widnall race and statewide referenda on bingo and raffles have generated the lion's share of pre-primary fireworks.

Polls were opened at 7 a.m., EST. They will close at 8 p.m.

Only two other incumbents besides Widnall—Representatives Alfred D. Sieminski, Democrat, and Frank C. Osmer Jr., Republican

—face primary opposition, and that from figures new to the national scene. In all, there are eight party contests for the state's 14 House posts.

Major party nominees for the Senate are unopposed.

Few Allusions To '49

Thomas, who said he "never once" met Sen. Joseph R. McCarthy (R-Wis) and would only know him from his pictures, has campaigned on a pledge of "1,000 per cent" support of the Wisconsin Republican and his Communist-hunting methods.

"The time has come," Thomas said today, "when you need more drive, more McCarthys, more Martin Dies, and more Parnell Thomases."

Dies, congressman at large from Texas, formerly was chairman of a congressional committee investigating un-American activities, as was Thomas.

Thomas has made few allusions to his 1949 conviction of receiving \$8,873 by padding his House office payroll.

PASADENA, Calif. (AP)—James Roosevelt, whose marital affairs have become involved in his candidacy for Congress, has offered his wife a property settlement and plans to sue for divorce.

The eldest son of the late President filed notice in Superior Court here yesterday that he will petition on April 30 for leave to amend his separate maintenance suit to ask for a divorce instead.

The document quoted a letter between attorneys for the Roosevelts indicating that his wife Romelle also will ask for a divorce on grounds of cruelty, the same as in her husband's projected suit.

Not Planning Remarriage

Another letter, from Mrs. Roosevelt's lawyer to her husband's attorney, was quoted as saying: "Your client has no immediate plans for remarriage, as we understand, and neither does ours."

Democratic National Chairman Stephen Mitchell suggested that Roosevelt drop his candidacy for Congress in the 26th California District in view of his marital troubles.

His wife, whom he married in 1941 after she had been his nurse during her stay in a hospital, charged in her suit for separate maintenance that he had confessed in a 1945 letter infidelities with nine women. Roosevelt denied any such infidelities and said he had admitted them in a letter to her only to spare his father, then president, the worry of her threatened divorce suit.

GOP Gains In Phila. Registration Drive

PHILADELPHIA (AP)—Better than 50 per cent than the more than 51,000 who registered during a pre-primary drive here listed their affiliation as Republican, the City Registration Commission reports.

However, adds the commission, of those switching party allegiance (including minor parties) the Democrats gained 2,956 while the Republicans gained 2,568.

The commission's report yesterday showed 27,165 voters registered as Republicans and 23,332 as Democrats in the drive which ended March 27. Complete registration figures on the total number of eligible voters for the May 18 primary will not be ready for at least two weeks, Commissioner Elizabeth V. Maguire said.

400 Searchers Seek 3-Year-Old Girl

FRANKLIN, W. Va. (AP)—Nearly 400 searchers continued a round-the-clock hunt today for 3-year-old Shirley Sherman, lost in the dense wilds of this Allegheny Mountain area in West Virginia's eastern Panhandle.

The little girl, daughter of Mrs. Goldie Sherman of Kingwood, has been missing since Easter morning when she wandered away from the home of her grandparents, Mr. and Mrs. Ollie Sites, about 20 miles north of here.

Hounds from a Virginia road camp at Eden, Va., were put on the scene yesterday but failed to pick up the youngster's trail.

State Trooper W. G. Cunningham said the little girl was wearing only a thin dress, shoes and socks when she wandered off.

SOVIET PLAN ON DISARMAMENT TO BE DEFEATED

UNITED NATIONS, N. Y. (AP)—Spurred by recent hydrogen bomb tests, the U.N. Disarmament Commission gathered Monday to set up private big-power talks on disarmament. The Soviet Union was given little chance to get Communist China included.

The 12-nation commission had before it a British draft resolution for the private talks to be held by a subcommittee composed of Britain, Canada, France, the Soviet Union and the United States.

Soviet Delegate Andrei Y. Vishinsky had proposed that Communist China, Czechoslovakia and India be added to the list. Spokesmen for three of the 12 delegations on the commission said they anticipated the Soviet amendment would be voted down.

Vishinsky offered his plan Wednesday in the commission's second meeting in six days after eight months of inactivity. The United States, France, Britain and New Zealand immediately opposed it, supporting the British resolution instead.

Brazil, Canada, Colombia, Denmark and Turkey also supported the British plan promising at least nine votes, or two more than the majority necessary.

The draft resolution would have the subcommittee start work today and report by July 15. Sir Pierson Dixon of Britain has suggested that it hold its first meeting.

Major League Pennant Races Get Off To One Of Closest Starts In Recent Seasons

By BEN PHLEGAR
AP Sports Writer

In case you haven't noticed, the major league pennant races are away to one of the closest starts in recent seasons.

No team has jumped off to a long winning streak. No team has fallen far behind. Today, after one week, only a game and a half separates first and last in the American League; just two games divide top from bottom in the National.

This early in the year the standings aren't too important. But a game won or lost in the first week counts just as much toward winning the pennant as one in the heat of the September flag fever.

Detroit In Lead

Compared with the first week of the 1953 season the standings have undergone considerable juggling, particularly in the American League.

Detroit is leading the American by half a game over Washington. A year ago the Tigers were last, four games behind the old St. Louis Browns, and Washington was in seventh place.

Cincinnati, co-leader with Philadelphia in the National League, languished in seventh last year at the end of the first week while the Phils were tied for third.

Champs Not In Stride

Neither Brooklyn nor New York, top-heavy choices to repeat their 1953 triumphs, have been able to match their first-week pace of last season. The Dodgers already were in first with a 4-1 mark—they are third this time with 3-2—and the Yankees were second at 4-2. They're 3-3 this year.

The leaders all lost yesterday. Detroit was toppled by Chicago 5-1. Cincinnati bowed to St. Louis 6-3, and the Phils were clubbed by Brooklyn 9-7.

In other action the Yankees split a Patriot's Day pair in Boston, losing 2-1 in the morning and winning 5-0 in the afternoon with a brilliant one-hitter by Jim McDonald. Washington shaded the Philadelphia Athletics 4-3 on Eddie Yost's ninth-inning home run. Pittsburgh beat the New York Giants 7-5.

Mickey Fans 4 Times, Homers
Baltimore and Cleveland in the American League and Milwaukee and Chicago in the National weren't scheduled.

McDonald's performance against the Red Sox was the best of his career. He walked five but struck out four and the only safety he allowed was a second-inning single by rookie Harry Agganis.

Mickey Mantle struck out four times in the morning contest, batting left-handed, but he hit a home run right-handed, his first of the season, in the after-lunch encounter.

Slams The Door

Yost got his home run, a 415-foot blast, as the leadoff batter in the last of the ninth at Washington. Rookie Art Ditmar was the victim. Morrie Martin joined Bobby Shantz on the A's sore arm list. He started but had to give up after five innings.

Jack Harshman, the former first baseman who was the pitching sensation of the Southern Assn. last season, failed in his second start with the White Sox. But Harry Dorish slammed the door on the Tigers after taking over with the bases loaded and one out in the fourth inning.

Chicago collected 11 hits off loser Billy Hoelt and his successors, Dick Weik and Bob Miller.

Jackie Robinson Stars

Jackie Robinson was the hitting star in Brooklyn's triumph over the Phils. He broke a 5-5 tie with a home run in the seventh inning and finished the night with a 4-for-4 performance. The Phils drove Don Newcombe to cover in the third inning when they took a 4-1 lead but the Dodgers' 18 hit attack was too much for the ineffectual Philadelphia pitching.

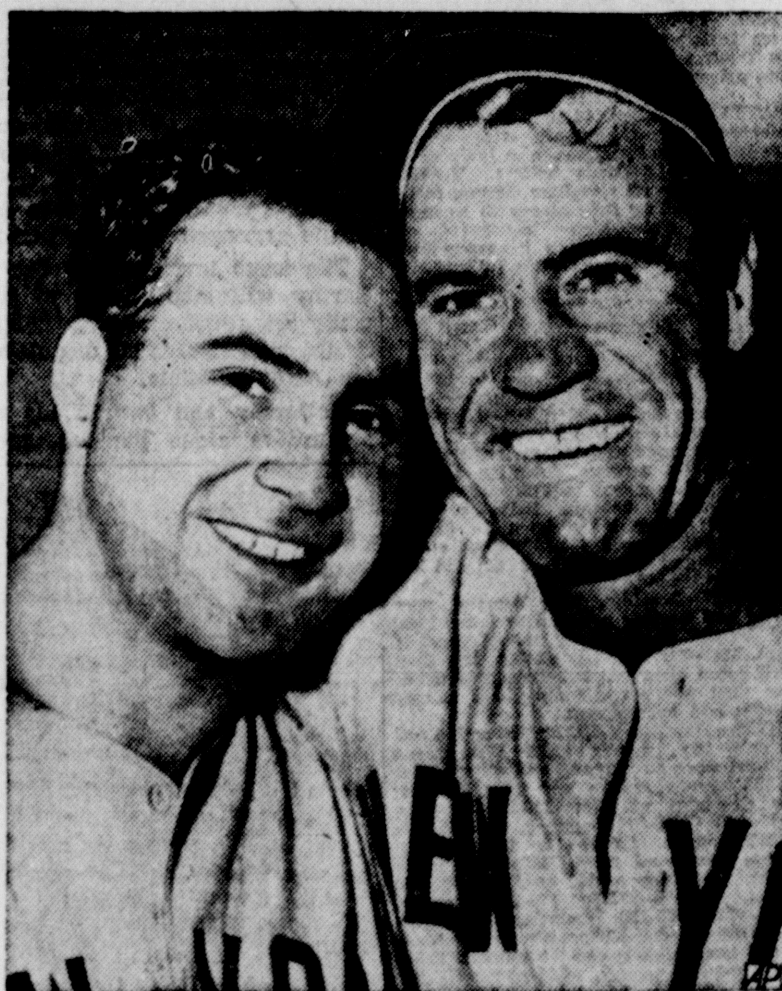

Successful homers by Stan Musial and Ray Jablonski in the sixth inning helped Harvey Haddix win his first game for St. Louis. Haddix already has lost twice and he was lifted in the ninth inning last night when Cincinnati threatened. But Stu Miller and Al Brazle subdued the Reds.

Pittsburgh scored five runs with only one hit in the third inning against the Giants. Four walks, interference by catcher Ebba St. Claire, and a hit batter aided in the spree. Johnny Hetki, in relief, was the winner as the Pirates triumphed for the first time since they beat the Phils on opening day.

JUDGE'S WIFE DIES

HARRISBURG (AP)—Mrs. Mary Knisely Smith, wife of President Judge Paul G. Smith of the Dauphin County Court, died today at her home after a long illness. She was 62.

McDonald Misses No-Hitter

Jim McDonald, left, New York Yankees' pitcher, smiles with teammate Hank Bauer after Jim hurled one-hit, 5-0, afternoon game against the Red Sox at Boston (Monday). Bauer hit one of two homers in game. Boston won morning game, 2-1. (AP Wirephoto)

Darwin Police Rescue Blonde Mrs. Petrov From Armed Red Guards Taking Her Back To USSR

By ROBERT FREEDEN

DARWIN, Australia (AP)—Blonde Mrs. Vladimir Petrov joined her ex-diplomat husband as a refugee from Soviet communism today after Australian police jerked loaded pistols away from two Russian exiles ushering her in tears back to Moscow.

"The 35-year-old woman's last-minute switch to the free world followed a fantastic tug of war in which Australian police wrestled wildly to disarm two of her Russian guards as her Europe-bound plane stopped here on the first leg of its flight from Sydney. The gun-toting Russians had tried to muscle local officials out of talking to Mrs. Petrov.

Cried "Save Me"

Eight hours earlier some 1,500 anti-Communists at Sydney fought with police in a vain effort to prevent her from being dragged aboard the BOAC Constellation by the Soviet Embassy second secretary and the two armed Russian diplomatic couriers conveying her home.

White Russians in the crowd said they heard her screaming: "I do not want to go. Save me."
Mrs. Petrov was said by Australian authorities to have been heading back to Russia in the belief her husband had been kidnapped and killed. She had told reporters at an embassy news conference last week she thought he had been kidnapped.

Expect Repercussions

She made her final decision to stay after a prearranged telephone call from Darwin for her first talk with her 45-year-old husband since he fled early this month with stacks of Red espionage data from

his post as third secretary and MVC (secret police) chief at the Soviet Embassy in Canberra.
The riotous episodes surrounding Mrs. Petrov's flight promised serious diplomatic repercussions between Australia and the Kremlin. Soviet Ambassador Nicolai Generalov immediately lodged a formal protest at the Australian Foreign Ministry, charging "armed assault against diplomatic couriers and detention of a Soviet official, to wit: Mrs. Petrov."

Stengel Tells How Rookies Are Aided

NEW YORK (AP)—Manager Casey Stengel of the New York Yankees was talking about the rookie camp he supervised in Florida this spring. "Our preliminary camps have been so successful because competent specialists instruct in definite fields," says the only pilot to lead a team to five straight American League pennants.

"Do you know what appeals to most boys? Being shown how to avoid being suckered by the veterans. I showed the kids in our advance camp 24 ways to stop being suckers. What are the 24? I refuse to give out this information. It's very valuable.

"I already have spilled too much of my system for other clubs to pick up."

Many primitive peoples fail to recognize that death can come from natural causes, believing that if a person dies without being wounded he is a victim of sorcery.

Duels in the modern sense were not known in the ancient world.

As Zollner Coach

Charlie Eckman, professional basketball referee from Baltimore, Monday was named head coach of the Port Wayne Zollners, of the National Basketball Association.

The 32-year-old official, who has handled many Gettysburg and Mt. St. Mary's College games in addition to his work among the pros, signed a three-year contract in Miami, Fla., with Fred Zollner, owner of the Port Wayne team.

Eckman, whose only previous coaching experience came with the Air Force from 1941-45, succeeds Paul Birch, mentor of the team the past three seasons.
The former City College basketball and baseball player lives in Harundale, Anne Arundel County, with his wife, three daughters and one son.

Homing Club Bird Averages 63.34 MPH

The Susquehanna Center Combine, of which the Hanover Homing Club is a member, will stage a second 100-mile race from Manassas, Va., next Sunday.

A bird from the loft of W. E. Sell, Hanover, flew 63.34 miles per hour Sunday in the first old bird race of the season from Manassas to be first home among the 170 entries from the 11 lofts of the club.

Birds from lofts of Adams Countians who are members of the Hanover Club with their distances and times on Sunday were as follows: Ed Zimmerman, New Oxford, 77.47 miles in 7:14:18; R. E. Brown, New Oxford, 80.41 in 7:18:47; L. Zartman, New Oxford, 80.28 in 7:20:46; M. Haverstock, New Oxford, 79.71 in 7:28:36; David Sterner, New Oxford, 79.39 in 7:33:58; and Guy Selford and Son, Fairfield, 71.84 in 7:27:34.

Testimonial Dinner Wednesday Evening

Members of the 1954 championship wrestling team of Gettysburg College will be guests of honor at a testimonial dinner to be tendered them Wednesday evening at the Hotel Gettysburg at 7 o'clock.

More than fifty reservations have been made thus far for the event. Reservations may be made at the hotel.

Henry T. Bream, director of athletics at the college, will be the toastmaster.

ASHBURN WAS SPOILER

PHILADELPHIA (AP) — Richie Ashburn of the Phillies spoiled potential no-hit games twice in one week during the 1953 season. On Aug. 1 he singled in the fourth inning for the only Phil hit off Warren Spahn. Five days later Ashburn whacked a one base hit in the ninth inning to spoil Warren Hacker's pitching performance.

INTERNATIONAL LOOP OPENS IN 2 CITIES TODAY

MONTREAL (AP)—The venerable International League, which has been beset by the television problem, opens its 154-game schedule today in Richmond and Havana, the two new member cities.

The Sugar Kings, as the Havana club will be known, play the Toronto Maple Leafs and the Virginians entertain the Rochester Red Wings. Then tomorrow, the rest of the teams open with Montreal at Syracuse and Ottawa at Buffalo.

This year for the first time, the loop, which began operations back in 1884 as the Eastern League, will embrace three countries—the United States, Canada and Cuba.

Most Air-Minded

The two new teams replace Springfield, Mass., which didn't draw, and Baltimore, which advanced to the American League. Richmond, incidentally, is not a complete stranger. It was a member of the original 1884 league.

The league was forced to spread South when it became blanketed by major league television and radio broadcasts. By taking in the two distant cities, the International League will become the most air-minded circuit in baseball. Seventy-five per cent of the league travel, including all trips to Havana and Richmond, will be by air.

A crowd of 25,000 is expected

at Gran Stadium in Havana and Harry A. Scott, the Canadian ambassador to Cuba, will throw out the first ball. The Cubans have been used to top flight baseball in their winter league, but this is the first time they have had a high classification minor league club to cheer.

Parade At Richmond

A crowd of between 14,000 and 16,000 was expected for the inaugural at Richmond where the Virginians meet the defending champion Red Wings.

A parade was scheduled for the morning before game-time in downtown Richmond.

Last year, as a member of the Class B Piedmont League, the club attracted only 40,000 spectators in 70 games.

PITCHING — Jim McDonald, New York Yankees, allowed only one hit, a single, in his best major league performance, beating Boston 5-0 in second game of a double-header.

BATTING — Jackie Robinson, Brooklyn Dodgers, hit a tie-breaking home run, a double and two singles, driving in three runs in a perfect night as the Dodgers beat Philadelphia 9-7.

Mickey Vernon Can't Get Going At Bat

NEW YORK (AP)—Mickey Vernon, Washington's veteran first baseman, today was looking for the hitting formula which won him the American League batting championship in 1953. Vernon has garnered only 2 hits in 19 trips this season for a dismal .105 mark.

F. PATTERSON WINS ON POINTS

BROOKLYN (AP) — Matchmaker Teddy Brenner hopes for speedy action today in his bid to match former world champion Joey Maxim and Floyd Patterson, a red-hot lightweight prospect.

Maxim and his manager Jack Kearns have been offered a guarantee of \$10,000 and have promised to meet with Brenner today.

The bout would go on at the Eastern Parkway Arena either May 17 or 24, Brenner said.

Under New York State boxing rules, Patterson is restricted to eight-rounders because he is only 19. "Under this arrangement," Brenner said, "we will have to ask permission from Bob Christenberry, chairman of the New York State Athletic Commission, for the bout to go 10 rounds."

Last night, Patterson won his 12th straight by outpointing Alvin Williams in an eight-rounder at the Parkway.

BULLETS MEET JOHNS HOPKINS ON WEDNESDAY

Gettysburg College's undefeated baseball team goes after its fourth straight victory here Wednesday afternoon at 3:30 o'clock when Johns Hopkins University will be met on the new Bullet diamond.

Coach "Hen" Bream is expected to send Sam Mowery, veteran hurler, against the Blue Jays. Mowery already has won decisions over Elizabethtown and Kent State. It is Coach Bream's plan to use three hurlers for three innings each.

Following Wednesday's tilt the Bullets make their first invasion of foreign territory when they meet Temple University at Philadelphia on Saturday.

The college golf team is also scheduled for action Wednesday, meeting Penn State University at State College.

In scholastic circles Wednesday the Biglerville High School track team will be host to Dallastown in a dual meet at 3:45.

Fairfield's unbeaten baseball team will tangle with Smithsburg, Md., at Fairfield. Coach Johnny MacAndrews' countians won a 7-0 decision in a previous game at Smithsburg.

PLAN INQUEST IN TRAFFIC DEATH

A Franklin County deputy coroner said today he will conduct an inquest into the traffic death of Carl McMillan, 15, Hagerstown, Md.

Dr. C. P. Brink, deputy coroner, said McMillan was killed in the crash of a car and a truck on Route 16, a mile east of Waynesboro, Sunday night.

Robert Cruickshank, 18, and Martha Bryant, 14, both of Hagerstown, were injured in the accident. They were given treatment at Waynesboro Hospital. Three other passengers in the car escaped injury.

State Trooper C. J. Schovlin said a convertible carrying the Hagerstown teenagers slowed up and was struck in the rear by a truck driven by Ralph T. Masser, 44, Fairfield R. 1.

Schovlin said Masser reported he applied the brakes to the truck but was unable to avoid striking the convertible.

TIME CHANGES

SOMERSET, Pa. (P)—Mr. and Mrs. Ernest C. Johnson were awakened at 4:30 a.m. to answer a telephone call from their soldier son, Ernest Jr. It was 6:30 p.m. in Korea and he "just didn't think of the difference in time."

ADVERTISE IN THE TIMES

LEGAL NOTICES

The proposed budget of the Gettysburg Joint School System may be examined Monday through Friday between the hours of 8:30 a.m. and 4:00 p.m. in the Administrative Office, High School Building. Final adoption May 3, 1954.

How Far U.S. Will Go In Indochina To Stop Reds Is Big Question For Nation Now

By JAMES MARLOW
WASHINGTON (AP) — The most important single question at this point in American history—how far this country will go to keep Indochina from the Communists—is still unanswered by the Eisenhower administration.

Secretary of State Dulles, after talking with President Eisenhower yesterday, avoided a reply to this question: Will the United States send troops into Indochina if the French should withdraw?

This was four days after Vice President Nixon said that as a last resort to save Indochina, in the unlikely event the French quit fighting the Communists there, the United States would be obliged to send American soldiers to carry on the battle.

Caused Controversy
Nixon made the statement in reply to a question following an off-the-record talk to the American Society of Newspaper Editors. Because of the circumstances, stories reporting his remark did not at first identify Nixon as the one

who made it. Later he was so identified.
The Nixon statement caused such instant controversy, particularly among members of Congress, that the State Department issued a statement of its own, explaining Nixon had talked of a last resort which seemed highly unlikely.

What the department meant was unlikely was that the French might pull out of the fight.

What It Didn't Say
But the most significant part of the State Department explanation was what it didn't say at all: it neither said Nixon was wrong nor that American troops would never be sent into Indochina.

Instead, it recalled that Dulles on March 29 said this country might have to take great risks to save Indochina and Southeast Asia from the Communists.

Dulles told newsmen yesterday he thought it unlikely there was a serious possibility of U. S. troops going into Indochina. He did not say it would not happen.

Then Garnet Horner of the Wash-

PLAN CONFAB ON PEACEFUL USES OF ATOM

LOS ANGELES (AP) — President Eisenhower plans an international conference of scientists to explore "the benign and peaceful uses of atomic energy," says Lewis L. Strauss.

The chairman of the Atomic Energy Commission made this disclosure last night in addressing the Los Angeles World Affairs Council. He said it is the President's intention to ask a national American scientific organization to call the meeting later this year.

No specific date was mentioned for the meeting, which would be the first convocation of its kind in the nuclear age.

Strauss Sets Purpose
Strauss, in stating its purpose, quoted the President's words: "To hasten the day when the fear of the atom will begin to disappear from the minds of the people and the governments of the East and the West."

The AEC chairman's announcement came during his discussion of Eisenhower's Dec. 8 speech, in which the President called upon the world's atomic powers to set up an international agency to develop peaceful atomic pursuits.

The nations participating, said include the Soviet Union, Strauss, amplifying this point during a question-answer period following his address, said the nations participating must include, under the President's plan, the three powers in the atomic energy area—the United States, Great Britain and Russia.

MONEY DOESN'T COUNT

MUNICE, Ind. (AP) — Burglars couldn't be bothered with money at a Muncie grocery the other night. They took eight pounds of ground coffee and 16 jars of instant coffee.

ington Evening Star asked: "Do you agree with Mr. Nixon in favoring the sending of American troops to Indochina if necessary, as a last resort, to save that area from Communist domination if the French should pull out?"

Personal Opinion
Dulles replied that Nixon had answered a hypothetical question—"if the French pulled out"—off the record and he wasn't going to answer a hypothetical question on the record. Thus he avoided a direct answer.

He did say Nixon had expressed a personal opinion to the editors and was entitled to it.

But Nixon and Dulles are both members of the National Security Council. The council, the nation's highest defense planning body, is made up of the President, Vice President Nixon, Secretary Dulles, Secretary of Defense Wilson, Director Harold Stassen of the Foreign Operations Administration and Director Arthur S. Flemming of the Office of Defense Mobilization.

Some Possibilities
This council sits with the President in making the most important decisions on defense, at home or abroad. Any big decision on Indochina would be worked out in the council.

Nixon may have been expressing only a personal opinion, as Dulles said he was. Or he may also have been expressing—as he thought, off the record—a decision taken by the council, or at least discussed by it.

It is also possible the various administration statements on Indochina, particularly from Dulles, constitute an attempt to sound out public reaction to going into Indochina.

ADVERTISE IN THE TIMES

THE FRENCHMEN SAY...

VOILA TOUT!

Nope! It isn't the discovery of the tomb and mummy of King Tut. It is a French expression meaning "That is all." At Weishaar Bros., the expression changes somewhat. Here at 37 Baltimore Street, customers are more apt to say, "Is that all?" They're referring to the low, low prices for top name merchandise, the very finest of appliances at our store. Stop in and compare. Compare quality and price at Weishaar Bros.
